Send your deputy to the lunch at PwC on Wednesday

I didn't know about it - I'm having dinner with sc mayor and CEO in SC

Who?

Tuesday 30th right? I don't have lunch with pwc on 31st

Next week . Not the 30th

Maybe I've already flicked it?

Yes - who needs enemies. Can
you make someone go for you?

I don't know anything about it...

You were invited...

To what?

A lunch at Pwc with Skarpi to talk
about the importance of digital
capability in infrastructure

The last pwc lunch I sent a deputy
to ended up being a sell job on
why nuclear energy would be
good for australia 🙄

This is not that. Trust me.
