Subject: Media Release Approval

Importance: High

Folks,

I'm keen to make sure everyone is on the same page when it comes to Media Releases.

Please note the following:

- All Ministerial Media Releases need to be approved by the Media Unit *before release*.
- Monday to Friday send final drafts to Aaron Wakeley and Peter McCarthy.
- Weekends send them to the advisor-on-duty (notification of who is on duty will be sent every Friday).
- They'll get the release back to you as quickly as possible.
- Any delay, give them a call.
- Any draft releases on matters of significance should be cc-ed to Scott, Kylie and me.

Please don't hesitate to raise any concerns that arise about the procedure.

Thanks.

Subject: Government Narrative

As mentioned, here is a summary of the Government's priorities and plans. Our actions should be guided by these principles, and our public statements always seek to reinforce them:

We are a government committed to action and our plan is clear.

It's about cutting waste and building a strong four pillar economy.

Our pledge to the people of Queensland is simple: we will get things done for you.

Our Government will work day-in, day-out to secure every hard-working Queensland a job.

We will change things in Queensland for the better.

Our four pillar economic plan will make the most of our natural gifts and a boom that will only come once.

We will make sure that our precious resources and income are used wisely and invested in infrastructure and services across the State for our long-term future.

Under the LNP Queensland will again be a State of opportunity – and its best days are still to come.

Five Pledges:

The LNP Government will:

One: **Grow a four-pillar economy** focusing on tourism, agriculture, resources and construction and by cutting red tape and regulation.

Two: **Lower the cost of living for families by cutting waste**, especially by freezing family car rego in our first term, by reducing water prices and reforming electricity tariffs.

Three: **Deliver better infrastructure and better planning** and we will share the proceeds of the mining boom to build roads and provide critical local infrastructure - we will protect strategic cropping land and we will open up National Parks, so that all Queenslanders can enjoy them.

Four: **Revitalise front line services for families** by getting back to basics and delivering more doctors, nurses, paramedics, teachers, police and other important front-line staff.

Five: **Restore accountability in government** by making sure that Ministers are accountable for their Department and our decisions are open and transparent.

Subject: MINISTERIAL MEDIA ALERT
Attachments: TEMPLATE_MINISTERIAL MEDIA ALERT.docx

Please note I am keen to start a daily MINISTERIAL MEDIA ALERT which will go to all media at around 0700 detailing what media commitments *all* our ministers have on that day.

We will collate the information from the GRID which is now in the form of an OUTLOOK calendar.

This means that you will need to provide enough information in the GRID for use in the daily alert. Please see attached an example of the MINISTERIAL MEDIA ALERT, and note the details that will be included.

Any queries, yell.

Thanks.

Subject: A few helpful hints
Attachments: Media Statement Quick Ref. Guide v1.1.doc; 20120405 Administrative Arrangements for Ministers.pdf; 20120430 MEDIA Ministerial Contact List.pdf

Hi All,

I have attached a few helpful things I've come across that may also assist you.

Firstly, a guide to putting up media statements is attached. We're in the process of updating the rather out of date email list left to us by Labor and have already fixed the system so media don't need to log on to read alerts/media releases.

The second document is the administrative arrangements list for Ministers, which I've personally found useful when determining who owns which issue. This is a bit of an evolving document at the moment, but this is the most recent version.

Thirdly, the most up to date media adviser contact list is attached for your reference. This document is also a moving feast but should be finalised shortly.

APPROVALS PROCESS – MEDIA RELEASES:

The approvals process with the Government Media Unit in relation to press releases remains in place – this was sent around by Lee a few weeks ago but I'm sending again for newbies (see below)

- All Ministerial Media Releases need to be approved by the Media Unit *before release*.
- Monday to Friday send final drafts to Aaron Wakeley and Peter McCarthy.
- Weekends send them to the advisor-on-duty (notification of who is on duty will be sent every Friday).
- They'll get the release back to you as quickly as possible.
- Any delay, give them a call.
- Any draft releases on matters of significance should be cc-ed to Scott, Kylie and Lee.

As a general rule, all media releases should come with a set of talking points which should also be sent through for approval.

APPROVALS PROCESS – COMMENT/RESPONSES:

As discussed at the media meeting today, media responses/comment on sensitive issues must be run past Lee Anderson and Scott Whitby for approval before being sent.

Please BCC all final comment from your minister to the Premier's Media Team, the Government Media Unit and Kate Wilson (Social Media) so that the Premier is also across it. The easiest thing to do is to set up a contact list which you BCC into every response.

The names you need to include are:

Lee.Anderson@ministerial.qld.gov.au

Scott.Whitby@ministerial.qld.gov.au

Kylie.Jacobson@ministerial.qld.gov.au

Mitch.Grayson@ministerial.qld.gov.au

Aniela.Hedditch@ministerial.qld.gov.au

Peter.McCarthy@ministerial.qld.gov.au

Aaron.Wakeley@ministerial.qld.gov.au

Kate.Wilson@ministerial.qld.gov.au

DIGITAL RECORDERS AND TRANSCRIPTION SOFTWARE:

In relation to digital recorders – all media advisers are asked to record any press conferences, doorstops, interviews, public meetings etc that their minister takes part in.

The model you need to order is:

VN-712PC

<http://www.olympus.com.au/Products/Voice-Recorders/Notetakers/VN-712PC.aspx>

I would recommend you also call IT services on x46358 and ask for Matt Dean, who will install Express Scribe on your computer. Express Scribe is transcription software (with foot pedal and earphones) which will allow you to listen back to the audio and type up anything relevant. Some offices are planning on doing full transcripts of all media appearances, but this is obviously difficult for others due to resourcing.

SHARED DRIVE:

I am in the process of setting up a shared drive, where we can dump large files if we need to share them. You will all get access to this file.

Apologies for the long email, but it should assist with getting us all on the same page.

Cheers
Kylie
